

SUMMER FEEDING PROGRAM

SPONSORED BY MPS

MONTGOMERY
PUBLIC SCHOOLS

Children need healthy food all year long. During the school year, students are provided with free breakfast and lunch through the National School Breakfast and Lunch Programs. When school lets out, many of these children are at risk of hunger.

Lack of nutrition during the summer months may set up a cycle for poor performance once school begins again, and may make children more prone to illness and other health issues. The Summer Meals Program – Sponsored by MPS – is designed to fill that nutrition gap and make sure children get the nutritious meals they need.
